

Hi wonderful BCA parents!

The Preschool and Childcare team have a proposition for all of you! If you are wanting some fun for your littles ages 1 through pre-K.

We would like to offer you a program for the 2020-2021. We understand that this is a very different and foreign time, Our program could help you out with your younger kiddos even if it is just a little bit.

BCA -Little- H.E.R.O. - Home Educational Resources Online.

If you have turned in your paperwork, we would love to share this little program with you.

Here's how it works:

(as of September 1st, 2020)

All wobblers (1 year to 20 months)

Toddlers (20 months to 3 years)

Preschool (3 years though Pre-K)

will have the opportunity to have activities and worksheets to do at home and

Some fun videos of their teachers reading books and music and movement. The videos will be pre recorded. We have also found some other fun and engaging activities that we will send links for now and then! This program is in its early stages so please be patient. We hope to have it ready to go by the 2nd or 3rd week in September.

So, if you have filled out paperwork and you are enrolled with BCA, please stay tuned for the next 2 questionnaires to get you linked in with our program. If you are enrolled but have not sent back the forms we have sent you for childcare, if you want you kiddo to be a "Little H.E.R.O.", send in your paperwork and we will put you on the list! If you need paperwork, send Melody an email and she can resend the forms needed to get this going. The first questionnaire will ask if you want to participate. The second one will ask more questions to get the information we need to put your take home/email packets together.

We are really excited to offer you this so your littles will feel included during this really crazy time!

As always, we hope you are having a great summer and that your families are safe and doing well.
